

The Standardbred Incentive Program (SIP) from the USTA

Setting up a USTA MyAccount & Enrolling a Horse

Get recognized and rewarded for logging trail miles with, and showing, your Standardbred through the Standardbred Incentive Program! The program season runs December 1 through November 30. Submitting trail miles and show placings, in the US and Canada, is done electronically through your USTA MyAccount.

Don't have a USTA MyAccount? Set one up at MyAccount.ustrotting.com, choose "First time user? Click here to register." and use your USTA number, first and last name and zip code; having all this information will link your USTA membership to your MyAccount. You must have a valid email address to set up a MyAccount. After you have set up a username and password, check your inbox for an email with a verification code.

Don't have a USTA number? If you have *never* done business with the USTA (includes having access to Pathway, a Hoof Beats subscription, enrolling a horse in Full Circle, etc.), once you've hit "First time user? Click here to register." then select "skip this step" to enter all your contact information. However, *if you have ever done business with the USTA and do not know your USTA number*, please call or email Member Services to get your number. USTA numbers are assigned to anyone, whether or not they are a USTA member, who has done business with the USTA.

To enroll in SIP, once logged in to your USTA MyAccount, if you are a USTA member, make sure you have a "Membership Expires" date in the middle right portion of the screen, to verify that your USTA MyAccount and membership are linked. If you do not see the screen below, click on the (my account) link after your name in the upper right corner. *If you are not a current USTA member and just want to participate in SIP as a non-member, skip to "To enroll in SIP if you are not a current USTA member" below.* Once you have verified your USTA membership is linked to your USTA MyAccount, look for and click on Online Services → Horse → Standardbred Incentive Program (SIP) Enroll Horse.
