

The Standardbred Incentive Program (SIP) from the USTA Setting up a USTA MyAccount & Enrolling a Horse

You can now be recognized and rewarded for logging trail miles with and showing your Standardbred through the Standardbred Incentive Program. The program season runs December 1 through November 30. Submitting trail miles and show placings will be done electronically through your USTA MyAccount, as long as you have a current USTA membership. The program is available for events/trail miles logged in the US and Canada.

Don't have a USTA MyAccount? Set one up at MyAccount.ustrotting.com using your USTA number, first and last name and zip code; having all this information will link your USTA membership to your MyAccount. You must have a valid email address to set up a MyAccount. After you have set up a username and password, check your inbox for an email with a verification code.

To enroll in SIP, once logged in to your USTA MyAccount, make sure you have a "Membership Expires" date in the middle right corner of the screen, to verify that your USTA MyAccount and membership are linked. If you do not see the screen below, click on the (my account) link after your name in the upper right corner. Then look for and click on Online Services.

If you have any questions about setting up a USTA MyAccount or enrolling a horse in the Standardbred Incentive Program, please contact USTA Member Services at 877.800.8782.

Once you see the Online Services menu of products, select Horse → Standardbred Incentive Program Enrollment. Search for your horse by their registered name, registration number or dam’s name. *Note: you do not need to be the horse’s registered owner (per USTA/SC records) to enroll them.*

Once you find your horse in the search, you can give them a show name, if that is how a show will list them in their results.

Once you have saved, you will need to check out. Your cart will be for \$0 as both horse enrollment and participant enrollment are currently free. All trail miles and show placings will be entered as a horse/person combination, so if there are multiple people showing the same horse, each person must do this process within their own USTA MyAccount.

Once you have checked out, hit the blue “finished” button and you will be taken back to your MyAccount home screen. You will now see “Standardbred Incentive Program” in your “My Horses” section.
