

The Standardbred Incentive Program (SIP) from the USTA

Submitting a Show & Viewing Approved Shows

Once you have set up your USTA MyAccount and enrolled your horse in SIP (see separate sheet), you are ready to log trail miles and/or show placings. *Please note that your event may already be in the database – please check the “202x Shows” link before you submit a show for approval.* If you have an event (show, endurance ride, hunter pace, etc.) that you know you will be attending **that is not already on the list**, you can submit that show for approval. The SIP season runs December 1 through November 30.

To access SIP, log in to your USTA MyAccount, then click “Standardbred Incentive Program” in your “My Horses” section.

To submit a show for approval, click the “Add Show” link from the bottom navigation. This is available on the SIP home screen, or once you’ve selected your horse, on the Submit Placing screen. *The USTA recommends submitting a show as soon as you know you will be attending, that way it can be approved and available for anyone who attended the show to submit placings.* The list of upcoming shows submitted will eventually be available on the LifeAfterRacing section of the USTA website, so the earlier we know about them, the more we can promote them!

You, as the show submitter, can immediately submit placings for this show, but the show will not be available for others to submit to until it has been approved by USTA administrators.

To view a complete list of submitted and approved shows, click "202x Shows" from your SIP home screen.
